## **Mobility Solutions Business Division of Mitsubishi HC Capital Inc. announces further investment in Mobility as a Service (MaaS) in Europe**

**Tokyo, 31 March 2022** --- Mobility Solutions Business Division of Mitsubishi HC Capital Inc. (TSE:8593, Representative Director, President & CEO: Takahiro Yanai, "Mitsubishi HC Capital") announced today that it has acquired the remaining 51% of the share capital of Mobility Mixx B.V. ("Mobility Mixx") from ARS Traffic & Transport Technology B.V. ("ARS"), to become a 100% wholly owned subsidiary of Mitsubishi HC Capital, effective from 31 March 2022.

Mobility Mixx is long established and leading Mobility as a Service ("MaaS") and "Smart Mobility" provider in the Netherlands. Mitsubishi HC Capital has been a shareholder in Mobility Mixx since 2019 when a 49% share was acquired through former Hitachi Capital Corporation.

### **Background**

Mitsubishi HC Capital was founded on 1 April 2021 following the merger between Mitsubishi UFJ Lease & Finance Company Limited and Hitachi Capital Corporation and is listed on Tokyo stock exchange. The main shareholders of Mitsubishi HC Capital are Mitsubishi Corporation, Mitsubishi UFJ Financial Group, Inc. and Hitachi Ltd. Mitsubishi HC Capital develops advanced asset business beyond a leasing company and builds solutions around five focus areas: Social Infrastructure & Life, Environment & Energy, Mobility, Sales Finance, and Global Assets.

Mobility Mixx has proven to be a highly innovative company active in one of the worlds most advanced markets for smart mobility solutions. With a complete integrated mobility offering, Mobility Mixx provides businesses with a one-stop-shop for all mobility services, such as public transport, rental and leasing, micro mobility as well as advanced expense management and fleet and mobility sharing solutions. ### **Ambition**

With the ambition of Mobility Solutions Business Division of Mitsubishi HC Capital to become a European leader in car leasing based on a decarbonisation strategy and advanced mobility services through its group companies, MHC Mobility Europe, Mobility Mixx has a great opportunity to contribute to this by expanding and building scalable solutions for its customers. For Mitsubishi HC Capital, Mobility Mixx is key to being at the forefront of innovation and taking a leading position in advanced mobility services.

Simon Oliphant, CEO, Mobility Solution Business Division commented: "This further investment in Mobility Mixx, making it a wholly owned subsidiary supports our strategy of combining multi modal travel with our traditional vehicle-based services to offer customers integrated, flexible and sustainable mobility. With the shift from total cost of ownership to total cost of mobility and decarbonisation we see excellent growth prospects in this sector."
