Mitsubishi UFJ Lease & Finance Opens Representative Office in Yangon, Myanmar

Mitsubishi UFJ Lease & Finance Company Limited (“Company”) hereby announces that it has opened a representative office in Yangon, Myanmar.

The ASEAN region, with the establishment of the ASEAN Economic Community at the end of 2015 as a framework to enhance liberalization of transfer of goods, services, and capital within the ASEAN region, is expected to develop further economically in the future. In particular, the Myanmar economy continues to grow, backed by factors such as growth in the domestic market with a population of more than 51 million, and geographical advantages of being bordered by neighboring countries such as China, India, and Thailand. Also referred to as “Asia’s final frontier,” Myanmar is an attractive market.

The Company has previously opened offices in ASEAN countries, namely Thailand, Singapore, Indonesia, and Vietnam, and has striven to expand business by responding to the diverse needs of local customers. This newly opened office in Myanmar will conduct activities such as information gathering and market research, with a view toward future business development in the country.
