Disclaimer

This document includes information that constitutes “forward-looking statements” on whether the Business Integration between Mitsubishi UFJ Lease & Finance and Hitachi Capital Corporation will be successfully completed and the outcome thereof. To the extent that statements in this document do not relate to historical or current facts, they may constitute such forward-looking statements. These forward-looking statements are based on the current assumptions and beliefs of the two companies in light of the information currently available, and involve known and unknown risks, uncertainties, and other factors. Such risks, uncertainties, and other factors may cause any future results, achievements, and financial positions of one or both of the two companies (or the group after the Business Integration) expressed or implied in the forward-looking statements to be materially different from the contents of this document. The two companies undertake no obligation to update publicly any forward-looking statements after the date of this document. Investors are advised to refer to any further disclosures by the two companies (or the group after the Business Integration) in their subsequent disclosures in Japan and filings with the U.S. Securities and Exchange Commission (only when filings are required in relation to the Business Integration).

The risks, uncertainties, and other factors mentioned above include but not are limited to the following:

- deterioration in corporate credit status;
- fluctuations in prices of global assets, real estate, and other assets, and changes in economic and financial situations, including interest rates and currency exchange rates;
- infectious diseases, including COVID-19, earthquakes, wind and flood damage, terrorism, climate change, etc.;
- changes in domestic and international laws and regulations and accounting, taxation, and other systems that are related to business activities;
- that the Business Integration cannot be implemented due to the failure of the necessary procedures to be taken, including the approval of the agreements concerning the Business Integration at general meetings of shareholders, or for any other reasons;
- that the review process for the Business Integration by the relevant competition law authorities is delayed, or the clearance of the relevant competition law authorities or other necessary approvals are not obtained; or
- it becoming difficult or impossible for the group after the Business Integration to realize synergies or effects of the Business Integration.

In connection with the Business Integration, a registration statement on Form F-4 may be filed by Mitsubishi UFJ Lease & Finance with the U.S. Securities and Exchange Commission. A Form F-4, if filed, will contain a prospectus and other documents. If a Form F-4 is filed and declared effective, the prospectus contained in the Form F-4 will be mailed to U.S. shareholders of Hitachi Capital prior to the scheduled date of the general meeting of shareholders in which voting rights will be exercised for approval of the Business Integration. If a Form F-4 is filed, the Form F-4 submitted will contain important information, such as information about the two companies, information about the Business Integration, and other related information. U.S. shareholders of Hitachi Capital are urged to carefully read the Form F-4, the prospectus, and other documents that may be filed with the SEC in connection with the Business Integration before they vote at the general meeting of shareholders with respect to the Business Integration. All documents filed with the SEC in connection with the Business Integration will be available after the filing, free of charge, on the SEC's website at www.sec.gov. In addition, these documents will be mailed to shareholders free of charge upon their request.
