RE: Establishment of Hitachi Capital Leasing (China) Co., Ltd. Shenzhen Branch

We are pleased to inform you that Hitachi Capital Corporation has established a branch office of Hitachi Capital Leasing (China) Co., Ltd. in the Huanan district of China as follows, and we had an office opening ceremony on April 15.

We will work to expand our business in China, with this new office as our marketing base.

-- Description --

1. Purpose of establishment

We established Hitachi Capital Leasing (China) Co., Ltd. in Beijing, China, in May 2005, and have worked since then to promote our business, centering on the leasing of medical equipment to hospitals. To expand our industrial and information & telecommunications business, we have established a branch office in the Huanan district (Shenzhen).

2. Branch office outline

(1) Location: Unit09A, 18F, Great China International Exchange Square, No.1 Fuhua Rd,
Futian District, Shenzhen, P.R.China

This district is independently administrated as a special economic zone, and is closely related to Hong Kong, both geographically and commercially.

(2) Business: Leasing of medical equipment, industrial equipment, and information & telecommunications equipment
